

The background of the cover is a romantic beach scene at sunset. The sky transitions from a deep blue at the top to a vibrant orange and pink near the horizon. Strings of warm white lights are strung across the top. In the center, a man in a white tank top and dark shorts is lifting a woman in a white dress into his arms. They are holding hands and looking at each other. A red heart-shaped balloon is attached to the man's arm. To the left and right are silhouettes of palm trees. In the distance, a small wooden gazebo with a red roof sits on a pier over the water. The overall mood is romantic and idyllic.

### **Do movie romances ever happen in real life...?**

Frankie doesn't believe in true love. As relationships expert at popular magazine *Stylife*, she has learnt that dating disasters are far more common than happy ever afters.

So when she is tasked to find out if meet cutes can work in real life she is up for the challenge - but whether it's being a damsel in distress with a flat tyre, or spilling coffee over a stranger, she isn't convinced this can really lead to love.

But little does Frankie know that the ultimate meet cute opportunity is just around the corner. As she is whisked off her feet (all in the name of her work project of course...) perhaps true love isn't just for the movies after all...?
